

Biden and Trump: Too Close to Call in Florida

Trump has 29.1% of African Americans and 56.2% of Hispanics

October 30, 2020

For Immediate Release:

According to a Listener Group/Political Matrix study of 900 likely voters in Florida voters, the race has severely tightened with a statistical dead heat. Today Biden is at 48.2% while Trump has 47.7%. Although, the biggest surprise is Trump's love affair with the African American community garnishing 29.1% of their support statewide. As the race continues to tighten, it all comes down to who is going to get their base and those in the middle out to the polls. Republican Presidential candidate and could be a death nail for Joe Biden's campaign.

METHODOLOGY:

The cross tabs for this study are race, gender and party affiliation. The persons sampled were Florida likely voters with a voting score of 100% for the general election cycles. The voters called were those only with landlines and were called using an Interactive Voice Response (IVR) system and were called during the hours of 1PM to 8PM during the dates of October 6-28, 2020. The Margin of Error for this study is +/- 3.5% with a confidence level of 95%.
